Headline:
Dry with clear spells tonight, chance of showers tomorrow.

This Evening and Tonight:
Soon becoming dry this evening with skies clearing across most parts. Widely cold and frosty overnight, especially in eastern areas. Some areas of mist or freezing fog likely in the south. Minimum temperature -4 deg C (25 deg F).

Tuesday:
Isolated mist or fog patches at first, otherwise a largely sunny morning after a very cold start. Cloudier by the afternoon with showers, but still with some decent sunny spells. Maximum temperature 13 deg C (55 deg F).

Outlook for Wednesday to Friday:
Some isolated daytime showers, otherwise mainly dry with decent sunny or clear periods. Daytime temperatures near normal. Overnight frosts with some mist and fog, though soon clearing by day.
